Financial Guarantees for Internationalization

OVERVIEW

SACE provides Financial Guarantees covering Italian and international banks from the credit risk relevant to loans granted in favor of domestic companies that intend to scale up their competitiveness on global markets.

SACE's Financial Guarantees facilitates access to credit for SMEs and to ease investments in large projects. SACE guarantees can also be issued in respect of a counter-guarantee or a standby letter of credit in favor of a local bank in order to cover credit lines granted locally to foreign subsidiaries of Italian companies.

SACE has developed different kinds of Financial Guarantees with the purpose of responding to market needs and its continuous evolution. In particular, this product can support Internationalization strategies of large corporate and SMEs, commits the payment of domestic companies, or facilitate their access to working capital needs.

COURSE OBJECTIVES

This course provides participants with a clear understanding of the product functioning *end to end*. In particular, this module addresses the Standard Financial Guarantees and the Financial Guarantees for SMEs. Additional modules on the Green Guarantees or the Working Capital Financial Guarantees can be included in the project upon request. The training will encompass a first general description of the key features of the product, defining in depth its structure and its different typologies (e.g. Direct Guarantee, Counter Guarantee, etc.).

SACE's specialists will also present the whole underwriting process, from the preliminary assessment to the final monitoring. As SACE consolidated practice, the capacity-building will also encompass specific guidelines on pricing and an overview of the relevant regulatory framework.

In order to ensure the most practical and interactive approach, SACE's training also envisage the analysis of the Guarantee text's main clauses, as well as the presentation of different case-studies and consolidated business best-practices.

TUITION

Tuition will be provided by highly qualified professionals, with proven experience and comprehensive knowledge of the relevant fields. The course may be customized to meet the real needs of participants.

LOCATION

Upon request, at client's premises or in SACE's Rome office. In special circumstances, this course can be held virtually, by means of videoconferencing software.
